

REMARKS

This is in full and timely response to the above-identified Office Action. The above listing of the claims replaces all prior versions, and listings, of claims in the application. Reexamination and reconsideration in light of the proposed amendments and the following remarks are respectfully requested.

In this response, independent claims 1 and 25 have been amended via the inclusion of the subject matter of claims 7 and 30 respectively. Inasmuch as claims 7 and 30 have been indicated as containing allowable subject matter it is submitted that these amendments are such as to place all of the pending claims (save claims 7 and 30 which are cancelled) in *prima facie* condition for allowance.

Reconsideration and allowance of this application is therefore courteously solicited.

Respectfully submitted,

Date June 28, 2005
